

PRODUCT CATEGORIES

TechMart carries the following categories:

- Smartphones & Tablets - major brands including Samsung, Apple, OnePlus, Xiaomi, Realme
- Laptops & Desktops - consumer, gaming, and business lines from Dell, HP, Lenovo, Apple, Asus
- Home Appliances - TVs, refrigerators, washing machines, air conditioners, microwaves
- Audio & Accessories - headphones, speakers, chargers, cables, cases, power banks
- Gaming - consoles, gaming laptops, peripherals, accessories
- Smart Home - smart plugs, security cameras, smart lighting, voice assistants
- Kitchen Appliances - mixers, air fryers, induction cooktops, water purifiers

STOCK AVAILABILITY

Product pages display real-time stock status:

- "In Stock" - ships within 1 business day
- "Limited Stock" - fewer than 10 units remaining
- "Out of Stock" - customers can opt into a back-in-stock email notification
- "Pre-Order" - available for upcoming product launches, with an estimated ship date shown

PRODUCT COMPARISONS

Use the "Compare" feature on category pages to view up to 4 products side-by-side across specifications, pricing, and customer ratings.

BUNDLE OFFERS

Select products are available as bundles (e.g. laptop + bag + mouse) at a discounted combined price. Bundle items ship together and follow the same return policy as individual products - the full bundle must be returned together to qualify for a refund.

BRAND-EXCLUSIVE LAUNCHES

TechMart periodically hosts exclusive early-access launches for select brands, with early-access windows announced via email to subscribed customers 48 hours before public availability.

DISCONTINUED PRODUCTS

If a product is discontinued while your order is pending, TechMart will notify you and offer either a full refund or a comparable replacement product at no additional cost.

For product availability questions, contact support@techmart.com or use the live chat on the website.
