

## **DELIVERY TIMELINES**

- Metro cities: 2-4 business days
- Tier 2/3 cities: 4-7 business days
- Remote/rural pin codes: 7-10 business days

Exact delivery estimates are shown at checkout based on your pin code and product availability.

## **SHIPPING CHARGES**

- Orders above Rs.999: free standard shipping
- Orders below Rs.999: Rs.99 shipping fee
- Express delivery (where available): additional Rs.149, delivers 1-2 business days faster than standard

## **ORDER TRACKING**

Once an order is dispatched, a tracking link is sent via SMS and email. Tracking codes may take up to 24 hours to activate after dispatch - this is normal and does not indicate a delivery problem.

## **MISSED DELIVERY**

If you miss a delivery attempt, our courier partner will attempt redelivery on the next business day. After 3 failed delivery attempts, the order is returned to the warehouse and a refund is processed automatically.

## **CANCELLATIONS BEFORE DELIVERY**

Orders can be cancelled any time before they are marked "Out for Delivery." Once an order is out for delivery, it cannot be cancelled - you may refuse delivery or initiate a return after the product arrives instead.

## **STORE PICKUP**

For orders placed with in-store pickup, the order must be collected within 48 hours of receiving the pickup-ready notification. A valid photo ID matching the order name is required at pickup. Uncollected orders past 48 hours may be cancelled and refunded automatically.

## **INSTALLATION SCHEDULING**

For appliances and TVs requiring installation, our installation partner will contact you within 2-3 business days of delivery to schedule a visit. Installation must be completed within 7 days of delivery to remain eligible under warranty terms.

## **DAMAGED PACKAGING AT DELIVERY**

If a package arrives with visible external damage, you may refuse delivery, or accept it and report the damage within 48 hours per our Refund Policy.

For delivery issues, contact [support@techmart.com](mailto:support@techmart.com) or call 1-800-555-0199.
